

# Theological Banquet

An inspiring, one-day workshop for Islands & area United Churches to foster language, identity and understanding in your community of faith.

*with Rev. Janet Gear*

Saturday March 7, 2020

God connects with each of us in unique ways. We search for words and images to speak about our profound experience – that's Theology! In her research, Rev. Janet Gear has identified five distinct ways United Church people tend to express their 'theologies' – that's the Theological Banquet.

Come and discover which of the five theological streams fits for you, and which ones you encounter strongly in your community of faith. Join us to learn about the Theological Banquet, savouring the blessings and gifts of these different ways. After the workshop we hope you will be more able to sit at the common table with people who share similar and different theological ideas and practices.

## REGISTER ONLINE

[form.jotform.com/PMR-UCC/theological-banquet-2020](https://form.jotform.com/PMR-UCC/theological-banquet-2020)
